About Us

IQZON Freight LLC is a UAE-based logistics and freight forwarding company committed to delivering world-class supply chain solutions. Strategically located in Dubai, one of the world's leading logistics hubs, we are well-positioned to serve clients across the Middle East, Asia, Africa, and beyond.

With years of expertise in international trade and logistics, we provide seamless and reliable services in import/export, sea and air freight, customs clearance, warehousing, distribution, local and GCC transport, and project cargo management. Our dedicated team ensures transparency, efficiency, and cost-effectiveness, making us a trusted partner for businesses of all sizes.

At IQZON Freight LLC, we believe in creating value for our customers by combining cutting-edge technology, industry experience, and a customer-first approach.

Our Mission

Our goal is to simplify global trade through efficient, reliable, and customer focused freight solutions, becoming the preferred logistics partner with innovative, value-driven service and quality.

Our Vision

To be a leading UAE freight and logistics provider, known for excellence, customer satisfaction, and sustainable growth worldwide.
